Dear Dr. Norman

I will certainly bear your letter in mind & if I can think of anything in the Historical Section I will let you know. Just at present I do not know of anything. The last few years we have had so much Bright that there is nothing fresh to say. Have you seen the beautiful reprint of his Kidney work recently brought out by the Oxford Press. I have often dined with the

Western Friendly Lt. I never joined as want of time to attend regularly.

With kind regards

Yours sincerely
